27 December 2024

Dear Parents / Guardians of 2025 Sec 3 Students,

1 Happy New Year and a warm welcome to the new school year! 2025 is an especially meaningful year for the Deyian family because we turn 45. We have planned several activities in the course of 2025 to consolidate and augment the good work that staff and students of the school have put in across the years, which has made Deyi a choice school in the community. We will keep you updated on details through the termly letters.

2 We have planned a rousing start to the new School Year with the Level Camp. Through it, we hope to settle your child/ward in well from the start of Term 1, to be all ready for an enriching 2025 in line with our School Vision of students being **Active Learners** and **Gracious Citizens**.

Celebration of Excellence

3 Over the year-end holidays, Deyians took part in various local and international competitions, and did us proud:

3.1 *Asia Pacific RCAP Rescue Line (Qing Dao, China)*

Our IT Club (Robotics) students led by Mr. Reeve Ng emerged as Asia Pacific Champions in the above competition. The team comprised How Meng Yee (3 Discipline), Sim Ke Xin Faith (3 Discipline), and Wang Murong (2 Integrity) from IT Club. Denella Elias Teo (3 Integrity) from Young Journalists' Club supported the team and covered the event. Our students put in a resounding performance to beat other top teams from India, Macau and Taiwan, to clinch the championship.

3.2 *Our School Our Stories*

Eugene Tan Boon Hong from 4 Graciousness, guided by Mr. Reeve Ng, received an Honourable Mention in the Youth Category of the 2024 Photo Story competition. Congratulations on this wonderful achievement!

Our Sec 2 & 3 Girls' Football Team achieved an outstanding 2nd place in the SFA Tournament. Well done, team!

School Communication System

5 The school uses an online system to take students' attendance. If your child/ward is absent from school, an automated SMS will be sent to your mobile phone with effect from 2 January 2025. The time of the automated SMS is:

Monday, Tuesday, Thursday and Friday : 9.00 am
Wednesday : 10.00 am

6 For all important communication with parents/guardians, the school uses Parents Gateway (PG). Please onboard PG if you have not already done so. On essential matters, teachers will communicate with students through ICON email. Teachers will continue to encourage all students to use their Student Handbook to capture key information (e.g. test dates and topics) disseminated in class.

School Hours

DAY	Monday	Tuesday	Wednesday	Thursday	Friday
School Start Time	7.30 am	7.30 am	8.30 am*	7.30 am	7.30 am

* Late start day.

7 School starts promptly at 7.30 am daily except Wednesdays, on which school starts at 8.30 am. Your child/ward is reminded to adhere to the timetable and be present in class on time. Being punctual and prepared for lessons are habits that lay the foundation for a positive school experience, which we want all our students to benefit from.

Student Handbook

8 To inculcate responsibility and good self-management, every student is given a copy of the Deyi Secondary School Student Handbook 2025, which contains detailed information on all school matters. Rules and regulations are listed clearly in the Student Handbook for clarity on acceptable and positive student behaviours. Sufficient space is also provided on the Handbook for students to jot down schedules, homework matters, reminders and test details.

Use of Mobile Phones (see Student Handbook 2025 pg 11)

9 We wish for all students to maintain a healthy balance between offline and online activities in embracing the affordances of technology. Students should exercise self-discipline, integrity and care when sharing and communicating via the mobile phone. By being respectful, considerate and appropriate always when using their mobile devices, Deyians will grow into gracious and socially responsible young adults.

10 Students are allowed to bring their mobile phones to school subject to the following requirements:

- (i) The mobile phone must be switched off during curriculum time. Putting the phone in silent mode will not suffice as it will still be a distraction.

Mission : Inspiring Lives, Nurturing Talents, Realising Dreams

Blended Learning (Home-Based Learning) on 'Even-Week' Fridays

13 Through Blended Learning, we seek to enhance our students' schooling experience and further develop them into self-directed learners. To support this, our school will be implementing a '10-day' timetable in Semester 1 with Blended Learning days scheduled on even-week Fridays.

14 There will be 4 Blended Learning days scheduled on even-week Fridays in Term 1: 17 Jan, 31 Jan, 14 Feb and 28 Feb. On these dates, students will stay at home to complete their online learning. This structure allows students more opportunities to be self-directed and independent, and in the process develop passion and intrinsic motivation for learning. Kindly refer to go.gov.sg/dyssbl for more information.

15 Intended as a day of self-paced learning, a typical Blended Learning day will start with a short FT check-in at 7.30 am, followed by 4 hours spent on asynchronous learning of pre-assigned subjects and topics. Every Blended Learning session will end with an hour of Student Initiated Learning (SIL). More details will be shared with students in Term 1 Week 2 during Form Teachers' time on Monday and Wednesday.

Homework Policy

16 The school assigns students homework to reinforce their learning, enable feedback on their progress and cultivate a healthy disposition towards continual learning. The school's Homework Policy guides teachers in setting well-designed homework tasks to bring about intended learning outcomes, moderating the amount of time students spend on homework and providing timely feedback through marked assignments. Your child/ward will also be instructed to write down details of homework and tests in the Student Handbook, which you can refer to as well. We seek your understanding and support as our partners in education to encourage your child/ward to reap the full benefits of the assigned homework.

Weighted Assessment (WA)

17 In alignment with the Ministry of Education's move away from an over-emphasis on academic results, WAs will continue to be pitched in ways that help your child/ward take stock of his/her learning. WAs can take various modes, e.g. class tests, quizzes, presentations, or group projects. WAs will be used by teachers to determine the extent of students' understanding in the respective subjects. Through WAs, teachers will be able to provide formative feedback as well as take remedial action. More details on WA will be provided through your child/ward and can also be found in the Student Handbook.

Co-Curricular Activity (CCA)

18 CCA Days – Tuesdays & Thursdays

A holistic education lays a broad and deep foundation for lifelong learning. Beyond the academic pursuit, Deyi emphasises co-curricular activities for the development of values and life skills in every child to equip them for the challenges in life. CCAs also support students to discover their strengths, interests and talents. Hence, CCA participation is compulsory at the secondary school level. Our school's CCA days* are Tuesdays and Thursdays. Each CCA session will last about 2.5 – 3 hours after school. This information is featured in the student timetable. Students will report for their CCAs after taking their lunch in the school canteen.

*Schedule might vary due to competitions / National School Games (NSG) / Singapore Youth Festival (SYF) requirements and other special activities.

*Some CCAs may free up selected Thursdays (discretionary Thursdays) e.g. after the competition season. Parents will be informed of the specific CCA Training schedule.
